

Construction Updates – January 2002

Animal Shelter – The architectural design firm has been selected and conceptual design is underway. The temporary shelter is open at 1200 Gerault Road.

Fire Station No. 2 – Replacement of existing facility. Site has been acquired and design is underway.

Operations and Maintenance Facility – Space programming and site master plan underway.

Major Road Projects

state road
FM 1171 – Major interim improvements complete. Six lanes, divided from FM 2499 to I-35W. Construction to begin in 2003. (TxDOT Project)

✓ **FM 3040** – Major interim improvements complete. Six lanes, divided from 2499 to Lewisville. Flower Mound utility relocations and right-of-way acquisitions are complete. Construction to begin in 2002. (TxDOT Project)

✓ **FM 407** – Four lanes, divided from Lewisville to FM 1830. Phase 1 from Lewisville to west of Country Meadow is under construction. Phase 1 estimated completion March. (TxDOT Project)

Garden Ridge Road – Four lanes, divided from FM 1171 to Bellaire. Shared project with Lewisville. Currently being designed. Construction to begin in 2003.

✓ **Gerault Road** – New bridge and new four lane, divided concrete road from FM 3040 to FM 2499. All lanes are now open for traffic.

Kirkpatrick Road – Phase I east of Morriss Road to be two lane, concrete road. Construction to begin in 2004-2005. Phase II north of FM 1171 to be four lane, concrete road. Construction to begin 2003-2004.

Lakeside Parkway – Construction underway for four lane, divided thoroughfare between FM 2499 and SH 121. Road and bridge scheduled to be complete in March.

Peters Colony – This project is on hold pending land acquisition.

→ May connect to I-635 eventually

Intersection Improvements

Flower Mound Road/FM 3040 & FM 2499 - Intersection is being improved to provide additional drive lanes and to relocate utilities underground. Estimated completion is Fall of 2002

*- TxDOT made a mistake. Lewisville has to refile some delay!
It will happen in 2002*

Garden Road & Morriss Road – Intersection improvements. Acquisition of right-of-way in progress. Estimated completion Fall 2002.

Signal Light Improvements

Flower Mound Road & Bruton Orand – Signal light installation scheduled for 2002.

Luther Lane & FM 1171 – Installation estimated completion in January.

Old Settlers Road & Peters Colony – Installation will be completed in conjunction with the Peters Colony extension.

Current as of 1/01/02. For more information, contact the Engineering Department at 972.874.6310.
